Gala Day in Peak Hill
My congratulations to all the students who enjoyed the Gobondery/NARRAF Cricket/Softball Gala Day at Peak Hill last Friday. Our students played with enthusiasm, displaying good team spirit and sportsmanship. Well done! My thanks to Mrs Lindsay, Mrs Adam and all parents who helped transport and encourage our teams.

Last Thursday, secondary students attended a presentation from ‘Motivational Media’. This presentation was projected onto a massive screen in the hall with a very loud sound system. It featured the stories of young Australian teenagers, who against all the odds, have been successful in their chosen field and are making a difference to other teenagers lives. It included the story of a boy born without arms or legs who is now an internationally recognised motivational speaker, a reformed drug addict who is now a well-known, successful fashion designer. Also a Samoan girl who was bullied at school, became a bully and then formed a student group within her school in Sydney to support students who were being bullied. Her group raised awareness of bullying, introduced anti-bullying strategies and provided important peer support. All in all, there were many messages for our young teenagers. It was an inspiring presentation.

The School Fete is on Friday week, commencing at 12.30pm. Please keep this date free and if you are able to contribute in any way please contact Rick Bennett, Kim Williams or phone the school. We are still seeking helpers, donations to the White Elephant stall and contributions of cakes and slices. I am sure it is going to be a great day and I urge everyone to attend and support the afternoon.

This newsletter contains information about the UNSW Academic Competitions. I encourage all students to enter some of the competitions. Please note that the entry form and full payment are required on Friday the 5th of April. These competitions give students good practise in sitting exams and also give valuable indication through results achieved of how they compare to other students from other schools.

Congratulations to Hannah Smith and Sammy Dunn for their sporting endeavours last week. Hannah competed in the WA CHS Golf Championships on Monday, and Sammy in the WA CHS Boys Soccer Trials.

All the best… Have a good week!

Steve Garriock
IMMUNISATION FORMS
All students in Year 7 and Year 9 boys were sent home an immunisation pack earlier in the term. Can these please be returned before this Wednesday, 28th March, as this is the day planned for immunising. Please read the information provided in the ‘Other News’ section. Thank you.

MOTIVATIONAL MEDIA
On Thursday, 21st March, students from Years 7 – 12 attended Motivational Media, a 40 minute DVD film screened on a 16 metre wide movie screen with amazing visual imagery and the latest music played on loud surround sound. The film was titled ‘MAD for life – Making A Difference’ and aimed to challenge students to make a difference in their own lives. For the length of the film, students were captivated as they heard various stories from young Australians who have survived challenges in their lives and are now successful adults inspiring others – they are making a difference. All students enjoyed the presentation and came out with positive ideas in how to make a difference in their own lives. Some of the comments from students included:

- Anyone can do anything
- Never give up
- I can make a change
- The film was inspiring
- The cinema screen was great added with the newest music.
- It was very cool.
- Set small goals to get to the big goal.

Tottenham Central School’s staff and students would like to wish everyone a safe and happy Easter.

CANTEEN NEWS
There are many great reasons to support the canteen.

- It provides healthy and nutritional snacks and lunches
- It can be a way of rewarding children by allowing them buy their lunch and a treat
- Using ‘real money’ to pay for lunch instead of ‘booking down’ encourages responsible use and understanding of money as well as reinforcing the concept of receiving change and the maths behind using money.

Please support the canteen.

If we don’t use it we’ll lose it.

YOUR SAY
You are encouraged to use this space to give us any feedback on things which you feel you need to: congratulate a student, teacher or parent; let us know what you think of the newsletter format; make a suggestion or request.

Kindly Requesting Donations

**K/1** will be running the ‘Lucky Stick’ stall at the fete. Any donations of new or used (in good condition) prizes would be appreciated. Prizes can be left at the office or sent to my classroom.
Thank you Amanda Smith

**Year 2/3** will be running a bottle stall and a balance game at the fete. Any donations of bottles or jars filled with produce/lollies or any other items from the community would be greatly appreciated. We would also appreciate any donations of little prizes for our game. These can be brought into our classroom at any time.
Thank you Grace Stewart

**4/5/6** will be running a stall similar to the old ‘Hoopla’ at the fete. Donations of new or used (in good condition) prizes will be appreciated. Prizes can be brought in to the classroom any time or dropped off at the office.
Thank you Jodie Attenborough & Rose Martin

Fete News

Parent Helpers Needed!
Thank-you to those parents and citizens who have offered to coordinate a stall or to help on stalls. We are still in need of a few more helpers and would be most appreciative of any parents that could volunteer to help with setting up or doing a shift on one of the P&C stalls at the Fete. Could you please check the proposed roster and see if you are able to help for half an hour.

**Donations Please (Cakes, Craft, Plants and Produce)**
We would appreciate any donations of cakes, craft, plants and produce for the fete stalls. Craft items can be left at the school anytime and cakes, plants and produce brought in on the day. We are also in need of frozen ice blocks (5L ice-cream containers of frozen water) for the SRC Stall.

**White Elephant** Any donations of preloved items in good, clean, saleable condition can be sent in prior to the fete or brought in on the day.

**Kid’s Raffle**
SRC are running their own ‘Kids Raffle’ with prizes like an i-tunes voucher, Reading Cinema movie tickets and 4L paint tin full of lollies. The students will be selling tickets during recess or lunch times from this week leading up to the Fete. Tickets are 50cents. Please support this fundraiser and initiative from the SRC.

**Things to do:**
Spread the word to family & friends and mention that the fete is starting at 12.30pm
Get things together for stalls and bring/send them in to school
Organise your “Rock Star” outfit for the opening parade
Bake up a storm for the cake stall, get creative with your craft and bring your goodies in on the day
Prepare some seedlings/cuttings of plants for the plant stall
Gather some eggs, fruit, pumpkins etc. for the produce stall
Bring in saleable goods for the “White Elephant” stall
Kids start entering in the Talent Quest, Obstacle course and Nerf War.

**New Additions:**
There will be show bags selling for $8.00 at the SRC Stall and children can have their face painted.

Next Fete Meeting
The final Fete meeting will be held Wednesday, 3rd April in the school library at 3.30pm. We appreciate any input, ideas or suggestions and all are very welcome to attend. The annual Fete is a major fundraiser and enables the P&C to provide vital additional resources to the school and all its students.

Get creative! We need Cakes and Craft!

Our stall needs cakes, slices, cupcakes, biscuits, sweet treats and craft items!

Items can be sold individually, as a whole or as a mixed box. Please label your scrumptious cooked goodies and we will price them on the day. If you are able to help on the stall or have any questions, please contact Susanna Horsburgh on (68924255). Any display cake stands with covers, or large clear cookie jars (clearly labelled) would be a great help!

Facebook

As the Fete is fast approaching it would be wonderful to have permission from parents to include photographs of themselves and their children at our Fete on Facebook. Please note, that children’s full names will not be published on Facebook, only first names. If you have no objection, complete this form and return it to school as soon as possible

TOTTENHAM JUNIOR SOCCER CLUB

Registrations are now open for existing club members and NEW MEMBERS. Our first soccer training day will commence on Wednesday, 1st May (Term 2) at 3:30pm straight after school at the sports ground. Games are still being played on Saturday mornings.
To re-register or if you are a new member, please go to the following website: www.myfootballclub.com.au
You only have to record the player’s details and Parents/Guardian details, select which package (team) i.e. Minis, Mids, or Seniors. Once this has been done, it will show up at my end, I will then approve once fees are paid and then a receipt will be forwarded to you. Existing members your details should already be recorded, you just need to select which package (team) for 2013 you wish to play in.
If you don’t have access to a computer, you can give me a call on 6892 4291 or email me and I will register for you. No payments are made online; payments are taken by Meggan Adam or myself, payable to Tottenham Junior Soccer Club.
I will send out our Soccer Draw by email and any other relevant information that is required over the next few weeks. It’s a great day out with your kids so hope to see many participate. If you require any information or help in registering please don't hesitate to ring me, Janine Fisher 6892 4291 or email: jfisher1@bigpond.net.au
2013 UNSW International Competitions and Assessment for Schools

For over 30 years, the International Competitions and Assessment for Schools (ICAS) has been helping teachers gain a deeper understanding of their students’ needs. Developed annually for Years 3 to 12, ICAS offers meaningful assessments which challenge students to demonstrate their skills, then give teachers the feedback necessary to build up strengths and target weaknesses. In this way, students are able to continually improve and move closer to achieving their personal best.

Once again the University of NSW Education Testing Centre is holding competitions in: English, Mathematics, Science, Writing, Spelling and Computer Skills. We encourage all students in Years 3-12 to enter into these competitions. The value of these competitions should not be underestimated as it gives our students an opportunity to compete against students from Australia, New Zealand, Singapore, Hong Kong, South Africa and other countries in the Asia Pacific region.

All students will receive a certificate and a detailed result letter for all competitions entered. These documents are suitable for inclusion in a student portfolio.

Please indicate on the form below which competition you wish your child/children to participate in and return to the school office with the correct money by Friday, 5th April.

WHAT IS THE VAN DE GRAAF GENERATOR USED FOR?
The Van de Graaff generator was invented in 1931 and is capable of producing extremely high voltages. It was invented to supply the high energy needed for early particle accelerators. These early accelerators were called atom smashers because they sped up sub atomic particles to extreme speeds and then smashed them into target atoms. It’s these collisions that create other sub atomic particles and high energy radiation such as x-rays.

NSW SCHOOL-BASED VACCINATION PROGRAM
Each year NSW Health offers the vaccines recommended by the National Health and Medical Research Council (NHMRC) for adolescents as part of the school-based vaccination program.
In 2013 the following vaccines will be offered:
Hepatitis B vaccine for all Year 7 students who have never received a course of hepatitis B vaccine when they were a baby
Varicella (chicken pox) vaccine for all Year 7 students who have not previously received varicella vaccine or had chickenpox disease.
Human Papillomavirus (HPV) vaccine will be offered to Year 7 male and female students, and to Year 9 male students, as a 3-dose course over a six-month period (students who commence HPV vaccination in Year 7 but do not complete the course may be offered catch-up doses at school into Year 8).
Parent Information Kits will be sent home to parents/guardians. To consent to the vaccination of their child, parents/guardians are advised to read all the information provided, complete the consent Form and return it to their child’s school. Please ensure that your child eats breakfast on the day of the school vaccination clinic.
Parents/guardians who wish to withdraw their consent for any reason may do so by writing to the school Principal. The Procedure for Withdrawal of Consent is available on the NSW Health website at www.health.nsw.gov.au/immunisation.
To improve vaccination completion, students will be opportunistically offered any missed doses throughout the year where possible.
Please note that for HPV vaccine only, parents/guardians must record their Medicare Number (all 10 digits and the 11th number beside the child’s name) on the Consent Form, as this is required to record the student’s information on the National HPV Vaccination Register and, for female students only, link to the National or State Cervical Screening Program.
A Record of Vaccination will be provided to each student vaccinated at the clinic. Parents/guardians should ensure that this record is kept for future reference and should not assume that their child has been vaccinated If they do not receive this Record of Vaccination.

TWMECC EATER STALL
Come and support our Centre’s Easter Street Stall this Thursday 10am – 1pm outside Spears’ Foodworks.
Lots of cakes, slices, scones, jams, plants, eggs, produce and more for sale!
Donations of goods or help much appreciated!
All proceeds go towards improving our beautiful Centre.
